<p>FYI</p> <p>1. For the record I would like to report the relationship with GRCAMERA has continued in the same vein in which it has now gone on for a number of years. GRCAMERA is an occasional outlet for WOLIME material. In many instances, he and his paper are ahead of WOLIME guidance. In such cases when his paper has carried articles based directly on WOLIME material, Headquarters has been informed by cable.</p> <p>2. GRCAMERA is not in any sense of the word a WOFIRM agent. It would be more accurate to describe him as a witting collaborator whose convictions are firmly on the side of LNHARP. There are no contractual agreements or commitments.</p> <p>3. He is met by me approximately once every six weeks for lunch at a public restaurant. Our overt relationship is known to a number of LNPURE officials as well as to several of GRCAMERA's colleagues. What is, of course, not known is the fact that under the overt relationship there exists an operational relationship permitting us to feed into GRCAMERA's paper an occasional WOLIME item. The method of transmitting material to GRCAMERA, who is a very busy man and usually cannot be met on short notice, is by addressing a letter to him to his office and having it delivered by hand to his private secretary.</p> <p style="text-align: right;">/C O N T I N U E D/</p> <p>ATTACHMENT A/S U/S/C</p> <p>DISTRIBUTION X - C/EUR w/att</p> <p style="text-align: right;">S/C ATT'D BY RI/AN Dated <u>08 OCT 1968</u></p> <p style="text-align: center;">CS COPY</p> <p>1 ATT.</p>

<p>4. Of passing interest is the fact that in recent days the FJSTEAL press and radio have strongly attacked both GRCAMERA and his paper for its coverage of the DIZTAG crisis. This is only to be expected, as his paper has a substantial readership in the upper echelons of the Eastern European governments and parties, and in as much as it remains one of the most influential voices in Austria.</p> <p>5. Two excerpts related to the above comments are submitted under separate cover.</p> <p>[ ]</p> <p>[ ]</p>
